

PIENAAR ENERGY (PTY) LTD

Algeria Solar-Powered Containerized Mobile Weather Station

Overview

The Oran Energy Storage Demonstration Power Station represents a pivotal step in Algeria's renewable energy transition. Located in a region abundant with solar and wind resources, this project integrates cutting-edge battery storage systems to stabilize grid operations. For a country receiving 3,000+ hours of annual sunshine, this storage deficit creates dangerous imbalances: Take the 120MW SKTM plant in Béchar Province.
