

**PIENAAR ENERGY (PTY) LTD**

# Application of double-glass bifacial modules

LIQUID/AIR COOLING

INTELLIGENT INTEGRATION

PROTECTION IP54/IP55

BATTERY /6000 CYCLES

## Application of double-glass bifacial modules

---

### **Bifacial Double-glass Photovoltaic Modules----advantages in Practical**

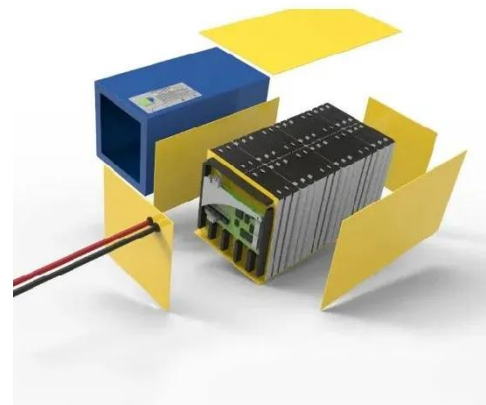

The use of double-glazed structures provides greater protection against environmental factors such as moisture, corrosion and mechanical stress. This makes the panels more resistant to degradation ...

## Bifacial solar panels: What you need to know

Bifacial solar panels are not suitable for

rooftop installations but may work well with residential ground-mounted solar systems. The ideal use case for bifacial solar panels is in ...
