

PIENAAR ENERGY (PTY) LTD

Australian photovoltaic container 40ft manufacturer

Overview

AVID GROUP provide a whole range of SPS (Stand Alone Power Systems) and Containerised Off-Grid Solar Energy Solutions. Containerised solutions for Solar, EV Charging and portable data centres. Power where the grid can't go — delivered in a single, rugged container. AVID's solar design, installation, commissioning and monitoring services are operated by our teams of skilled engineers and qualified electricians. Incorporate existing PV. Get your worksite up and running fast with Site Hub, a 40ft modular space designed for rapid deployment. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. At Modbox, we design and build shipping container solar solutions to securely house your solar panels, batteries, inverters, and other equipment.

Australian photovoltaic container 40ft manufacturer

Why Australian Solar Container Is the Future of Off-Grid Energy

Australian Solar Container solutions deliver reliable, portable, cost-saving off-grid energy for Australia's remote, harsh locations.
