

**PIENAAR ENERGY (PTY) LTD**

# **Backup uninterruptible power supply solar container**

## Overview

---

Many people—especially remote workers, caregivers, and CPAP users —are looking for a portable solar generator that doubles as a UPS (Uninterruptible Power Supply). This guide explains: ☐☐ What Is a UPS?

A UPS (Uninterruptible Power Supply) is a device. A self contained power unit for solar panel mounting, storage, office, tiny home and more! Options. Bring your own container, a retrofit kit for outfitting with solar + WaterSecure. Our AC/DC Outdoor UPS™ back-up systems provide a complete, uninterruptible power supply that integrates quickly with batteries, loads, and monitors. These solutions are available in various configurations, including battery-powered, solar-powered, and hydrogen fuel cell containers, each with distinct advantages. We're also a team of solar experts with decades of experience who want to educate people about all the ways that solar power can improve their lives.
