

PIENAAR ENERGY (PTY) LTD

Bangladesh energy storage new energy storage equipment

Overview

Huawei has introduced its next-generation energy storage system in Bangladesh, aimed at enhancing the efficiency and reliability of solar power projects across the country. The Ceylon Electricity Board (CEB), Bangladesh's state-owned power utility, has launched a competitive bidding process for large-scale battery energy storage system (BESS) projects aimed at stabilizing the national grid as more intermittent renewable sources come online. Ni Xiaopeng (Liam), Managing Director of Huawei South Asia Digital Power Business, unveiled this new ESS system to the. That's not a distant dream—it's the blueprint of the Renewable Energy Policy 2025, supercharging the Commercial & Industrial (C&I) energy storage boom. As of September 2025, with RE capacity at just 5. The programme was attended by Prime Minister's Energy Advisor Tawfiq-e-Elahi Chowdhury.
