

**PIENAAR ENERGY (PTY) LTD**

# **Best Price for a 50kW Solar Folding Container**

## Overview

---

Compare price and performance of the Top Brands to find the best 50 kW solar system. For home or business, save money on monthly. What is LZY's mobile solar container?

This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations. Transportable via standard shipping container, the system achieves full operational capability within 4-6. This high-power, low cost solar energy system generates 50,150 watts (50 kW) of grid-tied electricity with (85) 590 watt Axitec XXL bi-facial model PS590M8GF-24/TNH, GoodWe single-phase string inverters, 24/7 monitoring, disconnect box, rooftop mounting. Solar panels help to lower electric bills of your business, if not eliminate them completely. A 50kw solar system with battery storage can provide backup in case of power outage.
