Can lockers be placed in the basement

Overview

When storing off-season gear in an unfinished basement, your best bet is a sealed, air-tight tub or bin. Not only will this kind of container seal out moisture, it can prevent unwanted pests from chewing and nesting in your supplies. That's why it takes a little planning to make. Many people seek out a basement when looking for a home because of the extra space it provides. Basements are often home to a water heater, a heat source, and an easy target for combustion. Here, we'll look at 39 basement storage ideas that are bound to motivate you to remodel your basement! Credit to afreshspace
