Can the Animal Crossing locker be placed on another island

Overview

The Storage Shed can be placed almost anywhere on the player's island, and connects directly to the player's storage. How to Get Storage Shed. EDIT: I'm referring to a way to access storage like the Train Station's locker in New Leaf!! So I haven't found any methods of accessing storage while on someone ELSE's island. This is kind of a big issue, as if you were going to trade with someone, you're only going to have limited slots and have. Sign Up for free (or Log In if you already have an account) to be able to post messages, change how messages are displayed, and view media in posts. This allows the secondary player to begin island life on their own elsewhere. Previously, storage can only hold up to 5,000 items, but after the.
