Can the lockers in the floating fantasy world be stacked

Overview

It is found on Floating Islands, with only one being on every Island. A pickaxe can be used to remove an empty, placed Skyware Chest, and can then be picked up. It has 40 slots for the storage of items, and can not be crafted. One of the worlds in Death Gate series (Weis & Hickman) has floating islands. Arianus! It's in book 1, "Dragon Wing. It's been a lifetime since I read these. I loved the whole series, but that. What would happen to the land under a fantasy-style floating city?

More details: One day, a rare and powerful magic lifts a chunk of land off of the ground and into the air. You can think of the magic as a sort of flat bottomed bowl or circular cake-pan. There are so many activities you can enjoy together, and when your child is off exploring the youth clubs, you can sneak away for some much-needed grown-up time in the adult-exclusive areas. It defies. The creation of new worlds and new universes has long been a key element of speculative fiction, from the fantasy works of Tolkien and Le Guin, to the science-fiction universes of Delany and Asimov, to the tabletop realm of Gygax and Barker, and beyond.

Can the lockers in the floating fantasy world be stacked

The logistic of a Floating Island , Tabletop Roleplaying Open

Dragon Wing (book 1 of the Death Gate Cycle) by Margaret Weis and Tracy Hickman takes place on a world of floating islands and deals with some of the logistics of it. It's inspired a lot of ideas for a ...

Settings where the world is made out of Floating Islands.

The drama doesn't come solely from "fantasy stuff" - I struggle to think how you'd write a book worth reading where that was the case - but also from interpersonal relationships, some of which are romantic.
