

# Chabu Color Steel Tile Photovoltaic Support

## Chabu Color Steel Tile Photovoltaic Support

---

### Color Steel Tile Solar Mounting System

The color steel tile solar mounting system is primarily suitable for commercial and industrial buildings, warehouses, carports, and other color steel tile roof scenarios, especially for projects that require efficient ...

### CN210839440U

The utility model relates to a photovoltaic support technical field, more specifically say, relate to a various steel tile photovoltaic module fixed tracking support.

[Get Price](#)

### Zero carbon industrial solutions

PV color steel tile is one of the most typical applications of BIPV (building integrated PV). PV color steel tiles have both PV power generation and Building materials characteristics and are the essential ...
