

**PIENAAR ENERGY (PTY) LTD**

# **Cheap house inverter system factory manufacturer**

## Overview

---

A complete list of component companies involved in Inverter production. Jingsun is a leading manufacturer of high-quality inverters for solar systems. Our inverters are designed for both grid-connected and off-grid solar systems, as well as hybrid systems that combine both application types. Other renewable energy power generation projects are also compatible. With our two state-of-the-art factories spanning 18,000 square meters, we boast the capacity to produce over 20,000 inverters and 3,000 Lithium Batteries monthly. This scale not only guarantees a steady supply but also reflects. If you are looking for a reliable and efficient inverter system for your home, Shanghai Voovage International Co.
