

PIENAAR ENERGY (PTY) LTD

Company charging outdoor power supply

Overview

Charging your company's outdoor power supply doesn't have to be rocket science. Match the method to your needs, prioritize safety, and stay updated on industry innovations. Promote longer stays, better productivity and more positive experiences at higher education campuses, offices, parks, patios and more. Offer convenient access to electric vehicle charging with Legrand's Networked. With your gas-powered equipment, you've never had to question what to do if your crews run out of fuel. They typically leave the yard with extra gas cans and if those run empty during the day, there's always a gas station right around the corner. Learn solar charging, grid solutions, and safety best practices for industrial and commercial. The popularity of camping drives the related industries to heat up, from camp accommodation, tables and chairs to outdoor charging, giving rise to a large number of hot new categories, outdoor mobile power supply is one of these new categories that growing explosive.
