

**PIENAAR ENERGY (PTY) LTD**

# **Container without base station**

## Overview

---

Azure Container Instances (ACI) allows you to run Docker containers in a managed, serverless cloud environment, without having to set up VMs, clusters, or orchestrators. Primarily used in shipping and transportation industries, these containers come with thick insulation that helps maintain an internal temperature irrespective of external weather conditions. Imagine them as giant thermos bottles! Their design is rooted in basic physics it's all about reducing heat. Our FREE Container Home Cheat Sheets will help you decide if shipping containers are right for you, and whether to build or buy! I want the Cheat Sheets! A foundation is often the first significant site work undertaken for a shipping container project. It is, literally, the element upon which the. In the world of modified shipping container structures, no one foundation solution is right for every application. They have lashing rings on the upper, lower and corner sides to secure the cargo in place. They come in sizes 20' and 40'.

## Container without base station

**Efficient  
Higher Revenue**

- Max. Efficiency 97.5%
- Max. PV Input Voltage 600V
- 150% Peak Output Power
- 2 MPPT Trackers, 150% DC Input Overvoltage
- Max. PV Input Current 16A, Compatible with High Power Modules

**Intelligent  
Simple O&M**

- IP65 Protection Degree: support outdoor installation
- Smart IV Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
- DC & AC Type II SPD: prevent lightning damage
- Battery Reverse Connection Protection

**Flexible  
Abundant Configuration**

- Plug & Play, EPS Switching Under 10ms
- Compatible with Lead acid and Lithium Batteries
- Max. 6 units Inverter Parallel
- AEG Function (Optional): when an arc fault is detected the inverter immediately stops operation

### Container without fixed base station

HJ-SG Solar Container provides reliable off-grid power for remote telecom base stations with solar, battery storage and backup diesel in one plug-and-play solution.
