PIENAAR ENERGY (PTY) LTD

Cost of a 20kW outdoor telecom cabinet in australia

Overview

Prices for outdoor telecom cabinets as of 2025 can run anywhere from $900 to $5,000, depending on design, materials, and integrated systems. Let's break that down: Why such a wide range?

Because not all cabinets serve the same function. The Delta Outdoor series offers several size options, ensuring right dimensions for telecom equipment. For example, a simple outdoors weatherproof enclosure cabinet. At 4Cabling, our rack server outdoor enclosures and server cabinets are designed to protect your sensitive equipment from these harsh environments, with either an IP45 or IP65 rating to suit the level of protection you need. Maximize the system power, minimum the battery size.
