

PIENAAR ENERGY (PTY) LTD

Customized price of rooftop photovoltaic panels

Overview

Our estimator shows how many solar panels your home needs We generate an online cost and savings estimate You choose how many solar companies send you an exact price by email or text. Our estimator shows how many solar panels your home needs We generate an online cost and savings estimate You choose how many solar companies send you an exact price by email or text. Compare loan, lease, and purchase options for your solar panels based on your results. Solar savings are calculated using roof size and shape, shaded roof areas, local weather, local electricity prices, solar costs, and estimated incentives over time. This personalized solar design helps you to make an informed, unbiased decision to find the best solar power system at the lowest cost. Understand your options for residential or commercial modules. They are custom-based on the home, roof type, shading, and utility. This work has grown to include cost models for solar-plus-storage systems. If playback doesn't begin shortly, try.
