Delivery time for 100kW outdoor photovoltaic cabinet

Overview

The SUNWAY 50-100 kW Outdoor Cabinet ESS is an all-in-one energy storage solution designed for commercial and industrial applications. Equipped with a reliable Growatt inverter, it supports flexible battery options including rack-mount and stackable batteries. Its. After three years of development and accumulation, Sichuan Jinshi New Energy Technology Co. Was officially established in 2021, focusing on the innovative development of the entire industry chain of supercapacitors through "material material capacitor application". When the power generated by photovoltaic power generation i . Outdoor energy storage cabinet integrates energy storage battery, modular PCs, energy management monitoring system, power distribution system, environmental control system and fire control system.
