Verified Supplier

Overview

Product Details: Wide range of solar panels including mono and polycrystalline modules, high-efficiency solar solutions for residential, commercial, and utility-scale applications. In 2024, China accounted for about 57% of new global solar and wind additions, which is double the amount of renewable energy generated compared to regions like the US, Europe, and India. 2% of the nation's electricity was generated from renewables (excluding hydro) in 2024, which includes. These solar module manufacturers provide great assistance to protect the environment and promote new energy, and are able to fully automate the production of solar products, including monocrystalline solar panels, polycrystalline solar panels, inverters, etc. Discovering the best options can lead to significant savings and efficiency. Dive in to find out which.

Product Details: High-efficiency solar panels and inverters manufactured by leading companies in China, including Jinko Solar, Trina Solar, and LONGi Solar. From large utility solar installations to small home rooftop panel.

 Efficient Higher Revenue

 Intelligent Simple O&M

 Flexible Abundant Configuration

- Max. Efficiency 97.5%
- Max. PV Input Voltage 1000V
- 150% Peak Output Power
- 2 MPP Trackers, 150% DC Input Overvoltage
- Max. PV Input Current 15A, Compatible with High Power Modules
- IP66 Protection Degree, support outdoor installation
- Smart VI Curve Tracking Function: locate PV string faults accurately and automatically detect faults
- DC & AC Type II SPD, prevent lightning damage
- Battery Reverse Connection Protection
- Plug & Play, EPS Switching Under 10ms
- Compatible with Lead-acid and Lithium Batteries
- Max. 8 Units Inverters Parallel
- AFCI Function (Optional): when an arc fault is detected the inverter immediately stops operation

Solar Panels in China: Harnessing The Power of Sun

The largest solar power plant in China is the Longyangxia Dam Solar Park. The plant is spread over more than 25 square kilometres and has over 4 million solar panels.
