

**PIENAAR ENERGY (PTY) LTD**

# **Electric Energy Storage Device BESS Company**

## Overview

---

At AES, we are proud to be a pioneer and global leader in battery energy storage systems (BESS), collaborating with partners worldwide to deploy award-winning battery systems that enhance grid reliability, flexibility and resiliency. The market reached an estimated USD 15. We developed the world's first utility-scale lithium-ion BESS and. The Battery Energy Storage System (BESS) industry has experienced remarkable growth in recent years, driven by the global shift toward renewable energy and the increasing need for reliable grid stability solutions. However, fires at some BESS installations have caused concern in communities considering BESS as a. Short term target (2026) is to achieve  $\geq 300\text{MW} / 300\text{MWh}$  BESS capacity as per EWEC's mandate. Masdar Solar and EWEC are developing a \$6 billion, 5GW solar facility backed by 19GWh BESS in Abu Dhabi expected to be operational by 2027. Saudi Arabia plans to have 8GWh of energy storage projects in.
