

PIENAAR ENERGY (PTY) LTD

Energy storage aluminum battery box manufacturers

Overview

Discover certified battery box manufacturers offering waterproof, shockproof solutions for DIY projects, marine use, and solar energy systems. Click to compare suppliers now!. Made from strong and weather-resistant aluminum, these battery enclosures help to provide a storage component to help protect your battery (ies) from the elements and keep electrical components dry. Various types include active wall mount, Ethernet, in-ceiling, raised floor, wireless access point, seismic and server enclosures. Vendor managed inventory (VMI) programs and stock items available. Our solutions are designed to optimize performance.
