

PIENAAR ENERGY (PTY) LTD

Energy storage investment trends buenos aires

Overview

Argentina's main renewable energy association will formally incorporate energy storage into its name, reflecting the rapid growth of battery systems. Its president says the upcoming AlmaSADI tender will drive strong market momentum. 15 companies submitted 27 projects, pledging over \$1 billion in investment for a total that far exceeded the tender's 500 MW target. The international tender, first announced in February, aimed to secure 500 MW of. Over 667 megawatts of energy storage capacity are headed for the Buenos Aires Metropolitan Area (AMBA), representing an investment exceeding half a billion US dollars.
