

**PIENAAR ENERGY (PTY) LTD**

# **European IP66 Battery Cabinet Hybrid Type**

## Overview

---

With a capacity of 60KWH and a power output of 30KW, it supports peak shaving, load shifting, and renewable energy integration. Its all-in-one design simplifies installation and operation, while advanced energy management ensures high efficiency and reliability. Design and specifications are subject to change without notice. Operating Altitude Cooling Method Protection Degree Dimensions (W\*H\*D) Weight . The 30KW 60KWH high voltage all-in-one outdoor cabinet BESS is a versatile and compact solution for seamless energy storage and management. Combining high-voltage lithium battery technology with an integrated hybrid design, this 60KWH all-in-one energy storage cabinet hybrid ESS system is ideal for. Namkoo NKB Series 215kwh commercial & industrial energy storage system adopts the all in one design concept. There are two models with capacity of 100kWh and 200kWh.
