

PIENAAR ENERGY (PTY) LTD

Export container generator manufacturers

Overview

Here's a list of the top five container type generator manufacturers in the world for 2025. Designed for efficiency and durability, our generators come with CE Certification, ensuring top-notch safety and performance standards. Housed in CCS certified ISO standard 20ft and 40ft shipping containers, these units are fully approved for international ocean freight. Why CCS/CSC Certification Matters?

Hassle-Free Global. At the beginning of the Tier 4 transition, our engineering team had the opportunity to work with different customers in different markets to design and develop a line of high-power Tier 4 Final containerized generators. Copyright © Ningde Veragen Import & Export Co.
