

PIENAAR ENERGY (PTY) LTD

Factory price 15kv switchgear in Doha

Overview

Browse top businesses with high customer satisfaction. Bingham Engineering is a leading manufacturer of low voltage (LV) switchgear, offering a range of products from distribution boards to complex intelligent motor control centers (MCCs). They provide comprehensive solutions, including in-house and on-site testing, commissioning, and retrofitting. Al Mayar provides novel and bespoke low voltage electrical design for integration in industrial structures. The LV systems are designed to incorporate commercial equipment, power components, power distribution systems, lighting components, fire detection systems, transformers, low and high power. With more than 200 employees, the Company shares the LV & MV technology from world renowned switchgear manufacturer NATUS GmbH & Co. of Germany that has been a key provider of integrated electro-technical solutions, setting the standard in innovation, safety, and quality for switchgear systems.
