

# Financing for 100kWh Energy Storage Container

## Overview

---

- Power Purchase Agreements (PPAs) can provide a stable revenue stream for energy storage projects by selling excess energy to the grid. Step 1 discusses the importance of establishing clear organizational preferences. Government Incentive Programs Did you know the U. DOE recently allocated \$350M specifically for modular storage solutions?

Many countries now offer: "Our 20MW project in Texas secured 40% funding through state incentives. As such, we're providing this "Cheat Sheet for Energy Storage Finance" based on our work as buy-side and sell-side investment bankers experienced in both energy storage venture capital and project finance. I'm also including some perspectives from my panel last week at the UNC Cleantech Summit. The Energy Storage Association (ESA) has an energy storage vision of 100 GW by 2030 and that goal is right on schedule, even with the economic downturn and global pandemic.
