

PIENAAR ENERGY (PTY) LTD

Folding photovoltaic container manufacturers

ESS

Overview

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no shading from a remaining container structure. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. We are a professional manufacturer of integrated solar container systems. By delivering clean, accessible electricity, we support sustainable communities and contribute to a healthier. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar energy while at the same time being compact in design, easy to transport and quick to set up. The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp. With scalable solar capacity of 30-200kW and battery storage options from 50-500KWh, Solarfold™ provides reliable power wherever you need it - from remote construction sites to disaster relief operations. Rapid deployment, high efficiency, scalable energy storage, remote monitoring support.

Best Foldable Solar Container for Off-Grid Power , Sunmaygo

- 
Efficient Higher Revenue
 - Max. Efficiency 97.5%
 - Max. PV Input Voltage 600V
 - 150% Peak Output Power
 - 2 MPPT Trackers, 150% DC Input Oversizing
 - Max. PV Input Current 16A, Compatible with High Power Modules
- 
Intelligent Simple O&M
 - IP65 Protection Degree support outdoor installation
 - Smart I-V Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
 - DC & AC Type II SPD, prevent lightning damage
 - Battery Reverse Connection Protection
- 
Flexible Abundant Configuration
 - Plug & Play, EPS Switching Under 30ms
 - Compatible with Lead-acid and Lithium Batteries
 - Max. 6 units Inverters Parallel
 - AFCI Function (Optional): when an arc fault is detected the inverter immediately stops operation

Discover the world's leading foldable solar container with 40% higher energy density. Solarfold(TM) by Sunmaygo offers quick deployment & 70% lower costs than diesel. Get your free quote today!
