

PIENAAR ENERGY (PTY) LTD

Free consultation on 120-foot solar container in Nassau

Overview

Find out what solar can do for you. Schedule a free consultation today where we will discuss system sizing, equipment options and payment schedules, all FREE of charge. Enlighten Energy is a residential and commercial solar energy contractor providing design and installation services to all islands of The Bahamas. It is your time to start harnessing saving with the sun, our natural resource that we have in abundance. Whether you're looking to reduce your electricity bill, get completely off-grid, or set up a battery backup. Serving all The Bahamas, from Nassau to the out islands. The first step to going solar is a site assessment. We evaluate your home or business's energy usage and utility rate to determine potential solar savings. Our solar systems are custom designed f-grid Solar Hybrid Container Solutions in Canada. Louis (Missouri, USA) and Miami (Florida, USA), with offices in Nassau (Bahamas), Providenciales (Turks and Caicos Islands), Tortola (British Virgin Islands), and.
