

PIENAAR ENERGY (PTY) LTD

Free quote for corrosion-resistant battery cabinets for production lines

Overview

Contact us to get a free quote and more expertise about sheet metal fabrication. Your project will meet the right solution with Shengen. At Shengen, We turn complex Into Simple! Follow the following three steps to start today!. From concept and design to fabrication and assembly, Bull Metal Products manufactures custom battery enclosures, lithium battery boxes, and battery cabinets with the highest quality and safety standards. With the increasing importance for renewable energy sources, and the inherent need for backup battery power for some industries, you need storage for the energy and. APX Enclosures provides a solution with our line of custom outdoor battery, solar battery bank and metal generator enclosures. Each structure is designed to safely house your equipment while providing protection from poor weather conditions, water damage and corrosion. Our quality custom battery storage cabinets are skillfully fabricated leveraging our 300+ team of professionals, leading-edge equipment and robotics, and 20+ years of dedication to best practices on our 730,000.
