

PIENAAR ENERGY (PTY) LTD

General Contractor of Polycrystalline Photovoltaic Panels

Overview

Pure Power Contractors (PPC) is a fully licensed General and Electrical contractor specializing in the design, engineering, installation, and maintenance of photovoltaic systems. PPC's resume includes over 800 MW of installed PV systems, with our primary focus on utility scale ground. Solar Power World, the leading solar publication covering technology, development and installation, publishes the Top Solar Contractors List annually. We design, build, expand and maintain efficient, cost-effective solar energy facilities from the ground up, helping our clients meet growing needs for clean, sustainable power and ongoing energy conservation. Discover our vision for powering the future of energy through cutting-edge solar solutions. From residential to utility-scale projects. Complete Solar Solution: Find installers for your needs, from high-efficiency panels to mounting systems.
