

**PIENAAR ENERGY (PTY) LTD**

# **Germany Hamburg rechargeable solar container battery manufacturer**

## Overview

---

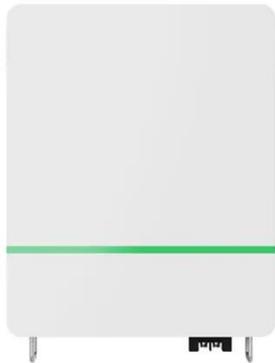

Return has acquired a majority stake in Hamburg-based J&P Batterie Projekte GmbH with a €50 mln investment and commitment. The acquisition is the next step in Return's expansion in the German renewable energy market.

Driverless container transporters operating in the port of Hamburg, Germany, at the HHLA Container Terminal Altenwerder, are being run on lithium-ion.

From intermediate storage in solar and wind farms to battery upgrades for e-buses: Gotion Germany stands for sustainable, next-generation energy storage solutions! Our products?

Assembled in Germany! Discover Gotion's innovative energy management solutions for industry, transportation, and more. Lithium-ion batteries from our own development. Using our proprietary Digital Twin, grid bottlenecks can be precisely predicted, allowing for optimal coordination between storage operation and grid demand.
