

PIENAAR ENERGY (PTY) LTD

Goon Energy Storage Lithium Battery

Overview

Safe, reliable, and well developed electronics to meet international standards and requirements. Large off the shelf storage for peak shaving, reserve or load leveling. Whether you need an electrolyte solution for your cell development. Gotion exhibiting a smaller model of its 7MWh BESS container at an expo in Japan. The company announced the new battery energy storage system (BESS) 20-foot DC block. Gotion invests in battery plant in US Illinois, may start production next year On September 9, a surging news reporter confirmed from Gotion (002074), headquartered in Hefei, Anhui Province, that Gotion has been constructing a battery super factory in Manteno, south of Chicago, Illinois, through. Lithium battery maker Gotion will invest \$2 billion to establish its first North America-based factory in Manteno, Illinois, Gov. JB Pritzker announced on Friday. The plant is the largest EV battery production investment in the state to date, with plans to employ up to 2,600 workers, officials.
