

PIENAAR ENERGY (PTY) LTD

Intelligent Folding Container for Field Research

Overview

Our patent-pending folding mechanism allows the entire container unit to collapse vertically—shipping 4 units in the space of 1. Huijue Group newly launched a folding photovoltaic container, the latest containerized solar power product, with dozens of folding solar panels, aimed at solar power generation, with a capacity for mobility to provide green energy all over the world. The Solar PV container is a mobile, plug-and-play. Feature Highlights: Designed for quick assembly and scalability, this modular container house features Class A fire resistance, wind resistance up to 110 km/h, and seismic resistance up to Class 10. Once on-site, it unfolds smoothly into a fully walled, lockable space within minutes. No cranes, no heavy machinery, just smart engineering. Volume Reduction: 75% less. Container-based laboratories are modular, portable research environments built within shipping containers or similar structures. These labs are designed to be self-sufficient, with built-in utilities such as power, water, and air filtration. Built tough to withstand Canada's diverse climates, our containers provide a secure, mobile platform for critical data collection. The mobile container laboratory designed specifically for oil research has become a "mobile weapon" for industry scientific research and innovation with its highly integrated cutting-edge configuration and excellent performance. The laboratory table uses a high-strength, corrosion-resistant epoxy.

Intelligent Folding Container for Field Research

Foldable Steel Containers Market Outlook 2025 to 2035

Industry major players are rolling out new designs of containers, incorporating intelligent tracking technologies, and creating lightweight materials for steel for improved durability and efficiency.

ENERGY STORAGE SYSTEM

Product Model
 HJ-ESS-215A(100KW/215KWh)
 HJ-ESS-115A(50KW 115KWh)

Dimensions
 1600*1280*2200mm
 1600*1200*2000mm

Rated Battery Capacity
 215KWH/115KWH

Battery Cooling Method
 Air Cooled/Liquid Cooled

Folding Containers: Premium Collapsible Storage Solutions for Home

Need space-saving folding containers? Discover durable collapsible designs for storage, transport, and organization. Click to explore versatile options and find your perfect solution today!

DETAILS AND PACKAGING

- 1 USER MANUAL PDF
- 2 RJ45 Cable For RS485/CAN
- 3 Battery in Parallel Cables
- 4 RJ45 TO USB Monitor Cable
- 5 M8 Terminal*4
