

PIENAAR ENERGY (PTY) LTD

Irish energy storage battery distributor

Overview

We are one of the largest independent battery distributors in the Irish market supplying a wide range of batteries for Automotive, Leisure, Mobility, UPS, Renewable Energy and other specialist applications since 1990. Their focus on energy efficiency and smart solutions makes them a key provider in the energy sector. Battery storage transforms renewable energy from an intermittent power source into a reliable, controllable. RWE Renewables' first European-based battery storage project is the 8.5 megawatt (MW) facility in Stephenstown in County Dublin. Our portfolio includes world recognisable OEM brands such as Banner. Our global locations and partnerships enable us to deliver energy storage solutions in your part of the world C&D locations can be found in North America, Asia, Oceania, and Europe. Energy storage is a key enabler for.
