States That Outlaw or Restrict Solar Panels

Is Installing Solar Panels Illegal in Any State? What Incentive Programs Exist For Homeowners Who Want to Use Solar Power? What States Restrict Or Heavily Regulate Solar Panels? Closing Thoughts Technically, no state outlaws or bans solar panels; quite the opposite. Most states have solar access laws that forbid any agreement, covenant, condition, bylaw, or contract that outlaws or limits solar installations by Homeowners Associations (HOA) or other municipal bodies. Unfortunately, solar panels are still incredibly expensive for the average See more on todayshomeowner gobesolar
