

**PIENAAR ENERGY (PTY) LTD**

# **Kenya lithium iron phosphate solar container battery**

## Overview

---

Built with advanced Lithium Iron Phosphate (LiFePO<sub>4</sub>) technology, it offers exceptional safety, superior performance, and an extended lifespan. With its modular design and compatibility with most hybrid inverters, this battery ensures reliable power backup and efficient solar. **BUILT-IN BMS:** BMS stands for "Battery Management System" - the brain of our deep cycle lithium batteries. Our BMS protects your battery from most common causes of battery failure, such as temperature volatility or ground faults. The BMS regulates the amount of power taken out of the battery and. Elevate your energy independence with the Macire 10kW 200Ah 48V Felicity Lithium Battery LiFePO<sub>4</sub> with BMS!  Designed to seamlessly integrate with your solar power system, this high-capacity lithium iron phosphate (LiFePO<sub>4</sub>) battery offers exceptional performance and reliability for both. The Felicity 10kWh Lithium-Ion Battery is a premium-grade energy storage solution engineered for high-demand residential, commercial, and industrial applications. It offers a capacity of 225Ah and is known for its long lifespan with proper maintenance. Ideal for off-grid systems and backup power. A premium lithium iron phosphate.
