

PIENAAR ENERGY (PTY) LTD

Kuwait 50GWh new generation energy storage lithium battery

Overview

In a bid to tackle mounting power shortages and ensure energy reliability, Kuwait is advancing plans to build one of the Middle East's largest battery energy storage systems, with a proposed 1.5 GW discharge capacity and 4–6 GWh of total storage. The Gulf state faces severe electricity shortages and negotiates this major battery storage project, which would deliver between 4 and 6 gigawatt-hours of total. Undersecretary of the Ministry of Electricity, Water, and Renewable Energy, Dr.
