

PIENAAR ENERGY (PTY) LTD

Kuwait city electricity regulations

Overview

These regulations are currently in effect daily from 11:00 a. This urgent directive comes in response to record-breaking temperatures sweeping across Kuwait, which have led to unprecedented pressure on the national electricity grid. conditions where necessary. It is the intention of the Ministry to re-examine these regulations once every three months and if found necessary, to issue amendment sheets. Engineers and others are therefore requested to contact the Ministry of Electricity and Water, Consumers Electrical. board, sub main switch board, fin supply by the Ministry of Energy, including submission of all necessary documents to the Ministry and carrying all necessary istry of Electricity and Water, including submission of all necessary documents to the Ministry, and carrying all necess 415 v, 50 Hertz. Decision No.
