

PIENAAR ENERGY (PTY) LTD

LdkSolar power generation

Overview

It has a joint venture agreement with Q-Cells SE to develop solar power generation systems. The company also has a partnership with Uni Land S. to develop and construct PV plants. LDK Solar Co. is a leading global manufacturer in the photovoltaics industry specializing in vertically integrated production across the entire value chain—from raw materials to finished PV modules., previously located in Xinyu City, Jiangxi province in the People's Republic of China, manufactured multicrystalline solar wafers used in solar cells, and provided wafering services for both monocrystalline and multicrystalline wafers. While we will never be undersold on project price, our goal is to deploy and commission solar. LDK Solar Technology Group is a national high-tech enterprise which concentrates on production and sales of silicon ingot, wafers, solar cells, modules as well as the construction and operation of solar power plants.
