

**PIENAAR ENERGY (PTY) LTD**

**Lithium battery energy storage  
product grouping standards**

## Overview

---

In recent years, electric vehicle safety incidents related to batteries have occurred frequently enough to question the adequacy of the current international safety standards. As the world's leading produce.

## Lithium battery energy storage product grouping standards

---

### U.S. Codes and Standards for Battery Energy Storage Systems

Codes A variety of nationally and internationally recognized model codes apply to energy storage systems. The main fire and electrical codes are developed by the International Code Council ...
