

PIENAAR ENERGY (PTY) LTD

Local inverter manufacturers

Overview

This section provides an overview for power inverters as well as their applications and principles. Sunplus latest EV Charging Station. Sunplus New Energy Technology is located in Shanghai, China, committed to the R&D, Production, and Sales of new energy power supply equipments. We have a broad product line dedicated to providing comprehensive solutions for intelligent energy management for home, industrial and commercial users, as. The solar inverter manufacturing industry focuses on producing devices that convert direct current (DC) from solar panels into alternating current (AC) for home and commercial use. is a renowned and highly respected manufacturer and agent of new energy equipment in China. We specialize in wind power generation systems, photovoltaic power generation systems, wind-solar hybrid power generation systems, battery energy storage.

Local inverter manufacturers

Battery String-S224

- 1C Charge/Discharge
- Easy configuration and maintenance
- Power supply can be single battery string or parallel battery strings
