# Lofeng air conditioning generator price

**LPR Series 19'  
Rack Mounted**

## Overview

---

A portable generator costs \$500 to \$2,500 for the unit or \$900 to \$4,000 total when connecting to a house. Portable units power up to multiple appliances plus 10+ lights. There are several benefits of using a air conditioner generator price. KOHLER's 26kW generator is the quietest\*, most powerful\*\* and exceptionally durable on the market. It automatically restores power in just 10-seconds with the heavy-duty KOHLER command PRO engine, designed and tested for tough commercial applications. The electric start feature also proves to be helpful.
