

PIENAAR ENERGY (PTY) LTD

Manufacturer of 20kW mobile energy storage outdoor cabinets for island applications

Highvoltage Battery

Overview

Outdoor cabinet energy storage system is a compact and flexible ESS designed by Megarevo based on the characteristics of small C&I loads. You can add many battery modules according to your actual needs for customization. Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment. Huijue Network products are exported to Europe, North. Looking to deploy an enterprise-grade ESS cabinet for commercial facilities, factories, EV charging, microgrids, or industrial parks?

Wenergy provides fully integrated, outdoor-rated ESS cabinets using LiFePO4 technology with modular design and robust safety architecture. As a professional manufacturer in China, produces both. Individually configurable outdoor cabinets that provide optimum protection for battery systems against weather conditions, vandalism, and break-ins.
