

**PIENAAR ENERGY (PTY) LTD**

# **Market Price of South Korean Modular Energy Storage Unit 42U**

## Overview

---

This report analyses the cost of lithium-ion battery energy storage systems (BESS) within the APAC utility-scale energy storage segment, providing a 10-year price forecast by both system and component. Hyundai Electric recently deployed a 120MWh system for Posco's Gwangyang steel plant at a record-low \$0. 21/kWh - 33% cheaper than 2022 quotes. But what exactly is driving this price drop?

**\*Short takeaway\*:** Suppliers like Samsung SDI and LG Energy Solution now offer modular “pay-as-you-grow” systems. The South Korea Modular Storage Systems Market was valued at 7. 98 billion in 2025 and is projected to grow at a CAGR of 14. However, a string of ESS-related fires and a lack of infrastructure had dampened investments in this market. The report covers major APAC energy storage markets including China, Australia, Japan, South. The South Korea Energy Storage System market growth is driven primarily by the increasing deployment of renewable power sources owing to the nation's basic plan for long-term electricity supply and demand (11th Edition), which outlines ambitious targets for renewable energy, aiming for a 21.
