

**PIENAAR ENERGY (PTY) LTD**

# **Mogadishu s new energy storage power source**

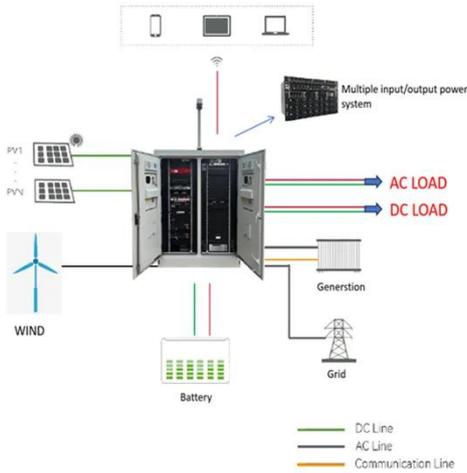

## Overview

---

The Somali government has kicked off a tender for the design, supply, installation, testing and commissioning of a 55 MW solar plant with a 160 MWh battery energy storage system (BESS) in Mogadishu. The deadline for applications is April. CLP Holding power company, located in Hong Kong, and the United States-based NextEra Energy and AES. Well, the Mogadishu Energy Storage Project isn't just another solar farm – it's a \$180 million game-changer combining lithium-ion batteries with wind farms. With rising demand for reliable power and growing investments in renewables, this project aims to address energy instability while integrating cutting-edge storage. As renewable energy adoption accelerates globally, Mogadishu faces unique challenges in balancing power supply and demand. By stabilizing the grid and storing excess solar or wind power, this.
