

PIENAAR ENERGY (PTY) LTD

Nigeria solar bifacial module tariff

Overview

The Nigeria Customs Service has clarified that solar panels remain exempt from import duty and VAT. When that occurs. With the exemption removed, bifacial solar cells/panels will now be subject to Section 201 duties. This clarification was provided in a recent circular (T&T/2024/CIRCULAR NO. Nigeria's solar sector is supported by an evolving policy landscape and several financial incentives aimed at accelerating adoption: Regulatory Framework & Grid Integration NERC Mini-Grid Regulations (2021) require distribution companies to accept solar-generated power from approved installations.
