# **Ning Solar Photovoltaic Power Generation Project**

**1mwh** (500kw/1mw)

**AIR COOLING  
ENERGY STORAGE CONTAINER**

## Overview

---

The Ning Ning Solar Rooftop Project is bringing clean energy to the community, having installed six solar panels on each of 1,986 homes, for a total capacity of 6. It is located in Pasinaya Halls, a social housing complex in the municipality of Naic on the southern shores. The 6. The world-first model, developed in partnership. In the Tengger Desert of Ningxia Hui Autonomous Region, beneath the solar panels, you'll find a unique sight: desert plants like sand sage and sand rice thriving alongside crops like tomatoes and peppers. 7 million photovoltaic panels combine into a "blue ocean".
