

PIENAAR ENERGY (PTY) LTD

Off-grid solar container corrosion-resistant bidding quotation

Overview

Licensed electrical operations currently cover five to six states in the Southwest, with nationwide project coordination available. Get instant answers and pricing details. Our SolarAI will collect your requirements for a custom quote. Or email: soleilsolar@dangerelectric.com. Off-Grid Solar Containers transforms 20-foot shipping containers into complete, turnkey electricity generators—engineered for the places where conventional infrastructure can't reach, and built for those who refuse to compromise on reliability. Born from years of solar expertise at Danger Electric. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. Stealth Power provides fleet electrification and off grid solar solutions for customers of all kinds. It is more environmentally.
