Ottawa aluminum acid solar battery cabinet manufacturer

Overview

APX Enclosures provides a solution with our line of custom outdoor battery, solar battery bank and metal generator enclosures. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. We will supply the best enclosures for your business, shipping worldwide. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. Need to integrate a back panel with a charge controller and a battery?

We can design, build, and integrate a complete system for your solar battery enclosure! Take the guesswork out of your solar system and let us put together the perfect solution for you. Custom cooling and heating. Sunwise Power & Battery Battery Enclosures are available in various sizes and configurations for housing batteries and support equipment, engineered specifically for the PV industry but suitable in a wide variety of applications. Most of our enclosures are designed to NEMA3R and rated for outdoor. Explore Quadra Solar Corp. Our customized solar battery storage solutions provide greater energy independence.
