

**PIENAAR ENERGY (PTY) LTD**

# **Outdoor wireless base station manufacturers ranking**

## Overview

---

The following companies are widely regarded as major players in the base station antenna field (the “top ten” is a compilation based on multiple industry reports and brand rankings and does not represent a fixed ranking order). A base station, also known as a base transceiver station (BTS), is a crucial component of a wireless communication network. Base stations transmit and receive radio signals to and from. In 5G NR (New Radio) technology, the base station is referred to as gNodeB or gNb. Leading manufacturers provide advanced solutions for telecom operators and enterprises.
