

PIENAAR ENERGY (PTY) LTD

Photovoltaic panel outdoor pillars

Overview

Solar pillar lights represent a sustainable and aesthetically pleasing solution for outdoor illumination. These lights, designed to resemble traditional pillar or post lights, leverage solar energy to power their light source, offering a viable alternative to wired electric lighting. Price and other details may vary based on product size and color. Light color is more bright white than I expected but I should've looked into that more. Aside from that, they boost the safety of your business's surroundings. Featuring a vintage Edison-style LED bulb and a contemporary open-frame design, it produces 200 lumens of warm white light ideal for patios, decks. The Harbor Breeze light pole is a decorative and functional way to enhance your surroundings with hanging lights in your outdoor space. Choose from Techko maid, Threshold, and Gigalumi brands with waterproof, energy-efficient designs perfect for gardens, patios, and events.
