Verified Supplier

The advertisement features a light green background with a white border. On the left, there are two dark grey rounded rectangles containing the text '20kwh' and '30kwh' respectively. Below these is a row of five yellow stars. To the right, the text 'Verified Supplier' is displayed in blue and black. The central focus is a stack of four white solar inverters, each with a black control panel and a small display screen. The inverters are stacked on top of each other, with the bottom one having four small black wheels.
